Re: Anaconda Aluminum Company Falls Reduction Plant, Site #A8-82, Columbia Falls, MT  
Administrative Settlement Agreement and Order on Consent for Remedial  
Investigation/Feasibility Study, CERCLA Docket No. 08-2016-0002

Bill #: 2781726S0036

Dear Ms. Driscoll:

The U.S. Environmental Protection Agency has revised the accounting previously sent to you on July 6, 2017, for costs incurred by the United States for response activities conducted at the Anaconda Aluminum Company (Site #A8-82) under the authority of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §9601 *et seq.* as amended (CERCLA). This Bill for Collection supersedes the July 6, 2017, billing and is submitted to you for payment pursuant to the Administrative Settlement Agreement and Order on Consent, CERCLA Docket No. 08-2016-0002.

The enclosed accounting is for costs incurred beginning November 30, 2015, the Effective Date of the Administrative Settlement Agreement, through December 31, 2016. The amount of \$302,326.31 is due to be paid within 60 days of receipt of this bill, pursuant to the terms of the Administrative Settlement Agreement Section XIX, paragraph 83, page 23. Please note that the EPA reserves and this billing does not constitute a waiver of the EPA's right to recover costs incurred prior to the Effective Date of the Administrative Settlement Agreement and erroneously included in the July 6, 2017, billing. Also, please note that when the EPA re-ran the accounting to exclude costs incurred during the 10 days prior to the Effective Date, the system picked up some additional costs not

reflected in the July 6, 2017, billing. These are costs that were incurred during the relevant time period and were in process for payment when the earlier accounting was issued.

If payment is not received by the due date, interest will accrue on any unpaid amounts which may also result in further collection efforts as stated in the Consent Decree Section XIX, paragraph 84, page 24. The current interest rate is **0.70%**.

For EPA to accurately record receipt of your payment by the established due date, you are advised to include the following information on your remittance:

- Site Name: Anaconda Aluminum Company
- AR #: 2781726S0036
- SSID #: A8-82
- CERCLA Docket No. 08-2016-0002

Payment should be in the form of a cashier's check, wire transfers, ACH Transactions, On-Line payments, or certified funds. Payments must be received by 11:00 a.m. eastern time for same day credit and should be made payable to the EPA – Hazardous Substances Superfund and forwarded to one of the following addresses:
